

The Telephone Reunion for inmates in Mid-Autumn Festival 2024

The support of families is the greatest force that makes inmates repent toward good. The good relationship between them is important for inmates' spiritual strength. Cooperating with the Kaohsiung Operations Office of Chunghwa Telecom Co., Ltd. , 79 toll-free phones and 1 international phone were installed in the Kaohsiung Prison on September 10th and 11th in the Mid-Autumn Festival. Through the hotline, family's companionship and encouragement might enhance inmates' recovery. There were 2053 inmates participated in this phone reunion.
