

The Telephone Reunion for inmates in Spring Festival 2025

The support of families is the greatest force that makes inmates repent toward good. The good relationship between them is important for inmates' spiritual strength. Cooperating with the Kaohsiung Operations Office of Chunghwa Telecom Co., Ltd. , 79 toll-free phones and 1 international phone were installed in the Kaohsiung Prison on 16 and 17 September in the Spring Festival Eve. Through the hotline, family companionship and encouragement might enhance inmates' recovery. There were 2201 inmates participated in this phone reunion.
