

2026 Spring Festival face-to-face reunion for inmates

The Spring Festival in 2026 is coming soon. In order to relieve the inmates' homesickness, the prison held a face-to-face Spring Festival reunion on 27th and 28th January, at which they enjoyed happiness and enhanced good relationship with their families. It was hoped that by families' support, the inmates would be encouraged to repent, become good, and return to society smoothly and successfully. The total numbers of 532 inmates and 842 family members participated in this reunion.
